APPLICATIONS ARE INVITED FOR FACULTY INTERESTED IN PARTICIPATING IN THIS FORTHCOMING PROGRAM

This program provides educators with opportunities to explore and to network with others on how to implement Interprofessional teaching in the classroom and in practice settings. Participants will take away a plan for IPE teaching of an activity.

- The program is 2.5 days in length
- Taught by an Interprofessional group of faculty: Drs. Carole Orchard, Wayne Weston and Eunice Gorman and Professors Sandra Hobson and Carol Butler
- Program provides for 15.5 Continuing Medical Education Credits (RCPSC, CFPC)

Cost is $400.00 per person

The University of Western Ontario
“I feel more confident and compelled to implement IPE at least two times per year in my program.”

“Great. I wish everyone could participate.”

“I feel I have solid grounds to incorporate my learnings into teaching and advocate other disciplines to take insight into IPE.”
